How to Read the "Codes"
 Each class has a code associated with it to help us keep track of the class lists. The code work as follows:
 The first letter is the type of dance (T-Tap, J-Jazz, L-Lyrical and so on)
 The second letter is the day the class is on (M-Monday, T-Tuesday, R-Thursday and so on)
 The third is a number which is the time the class starts.
 The fourth letter is the first letter of the teachers name (M-Megan, A-Amanda, K-Katrina, J-Jillian, C-Christianna, R-Rich, B-Bethany)
